A REMARKABLE
GUATEMALAN MAYA TREE

AllSpice

Medicinal & Edible
& Flavoring Spices
Worldwide

2

My leaves are used
throughout Guatemala
to make a tasty
unique tea.

4

I am called ALLspice because my flavoring
is comparable to a combination
of three separate spices:

cinnamon

cloves

nutmeg

8

But I am
one single tree;
one single seed-pod:

But three
simultaneous
flavors!

9

I produce flowers between March and May,
though each year this depends
on Climate Variation.
