

# JAGUARUNDI

What in the world is the  
Jaguarundi animal?

Storyboard Dr. Nicholas Hellmuth  
Illustrations Josefina Sequen

Jaguarundi  
Our zoological name is  
*Puma yagouarundi*

But we are NOT a puma  
and we are NOT a jaguar.

*Puma concolor*  
Puma, Cougar cub,  
Mountain lion

*Panthera onca*  
Jaguar cub

We jaguarundi's are  
NOT small jaguars...  
we have (almost) NO spots  
(not really even when babies)

Adult Jaguarundi

*Panthera onca*  
Jaguar cub

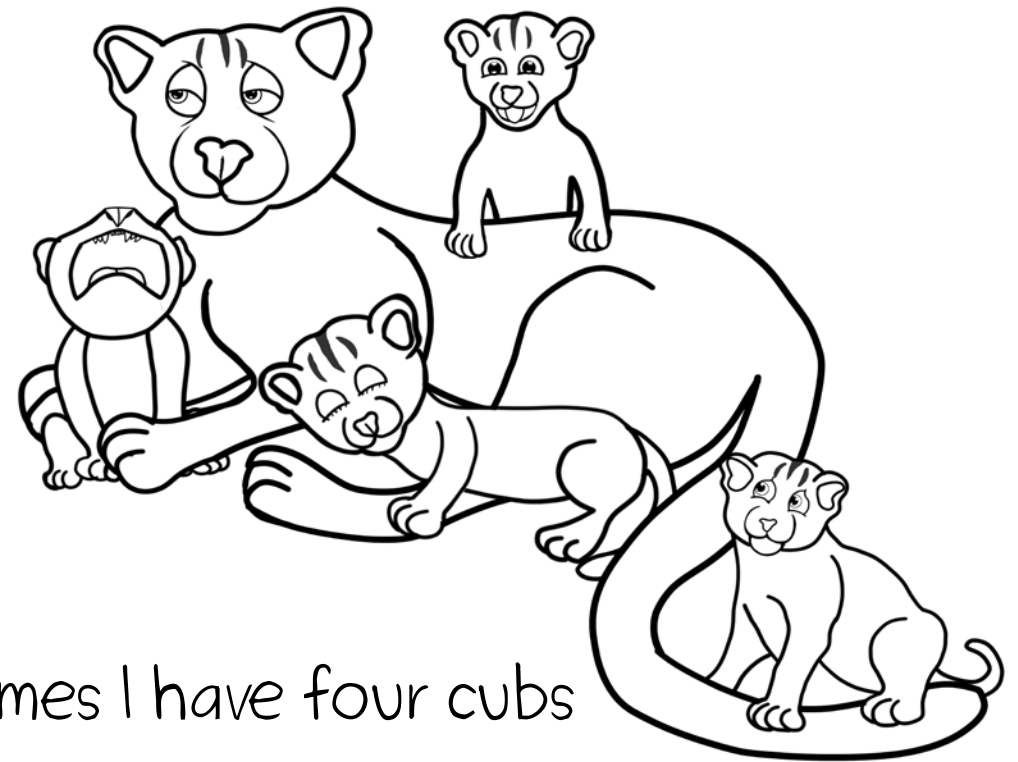

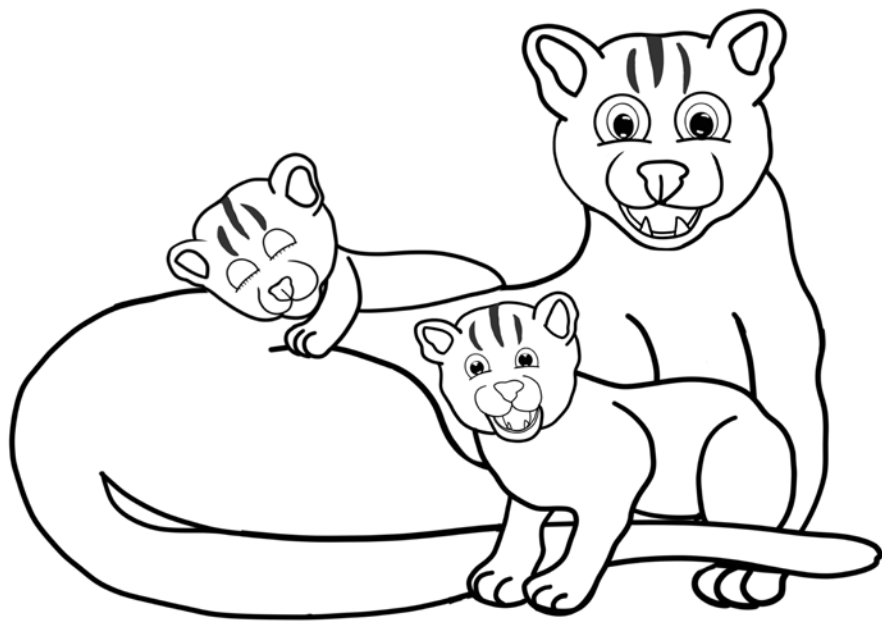

Jaguarundi Cub

Cougar Cub

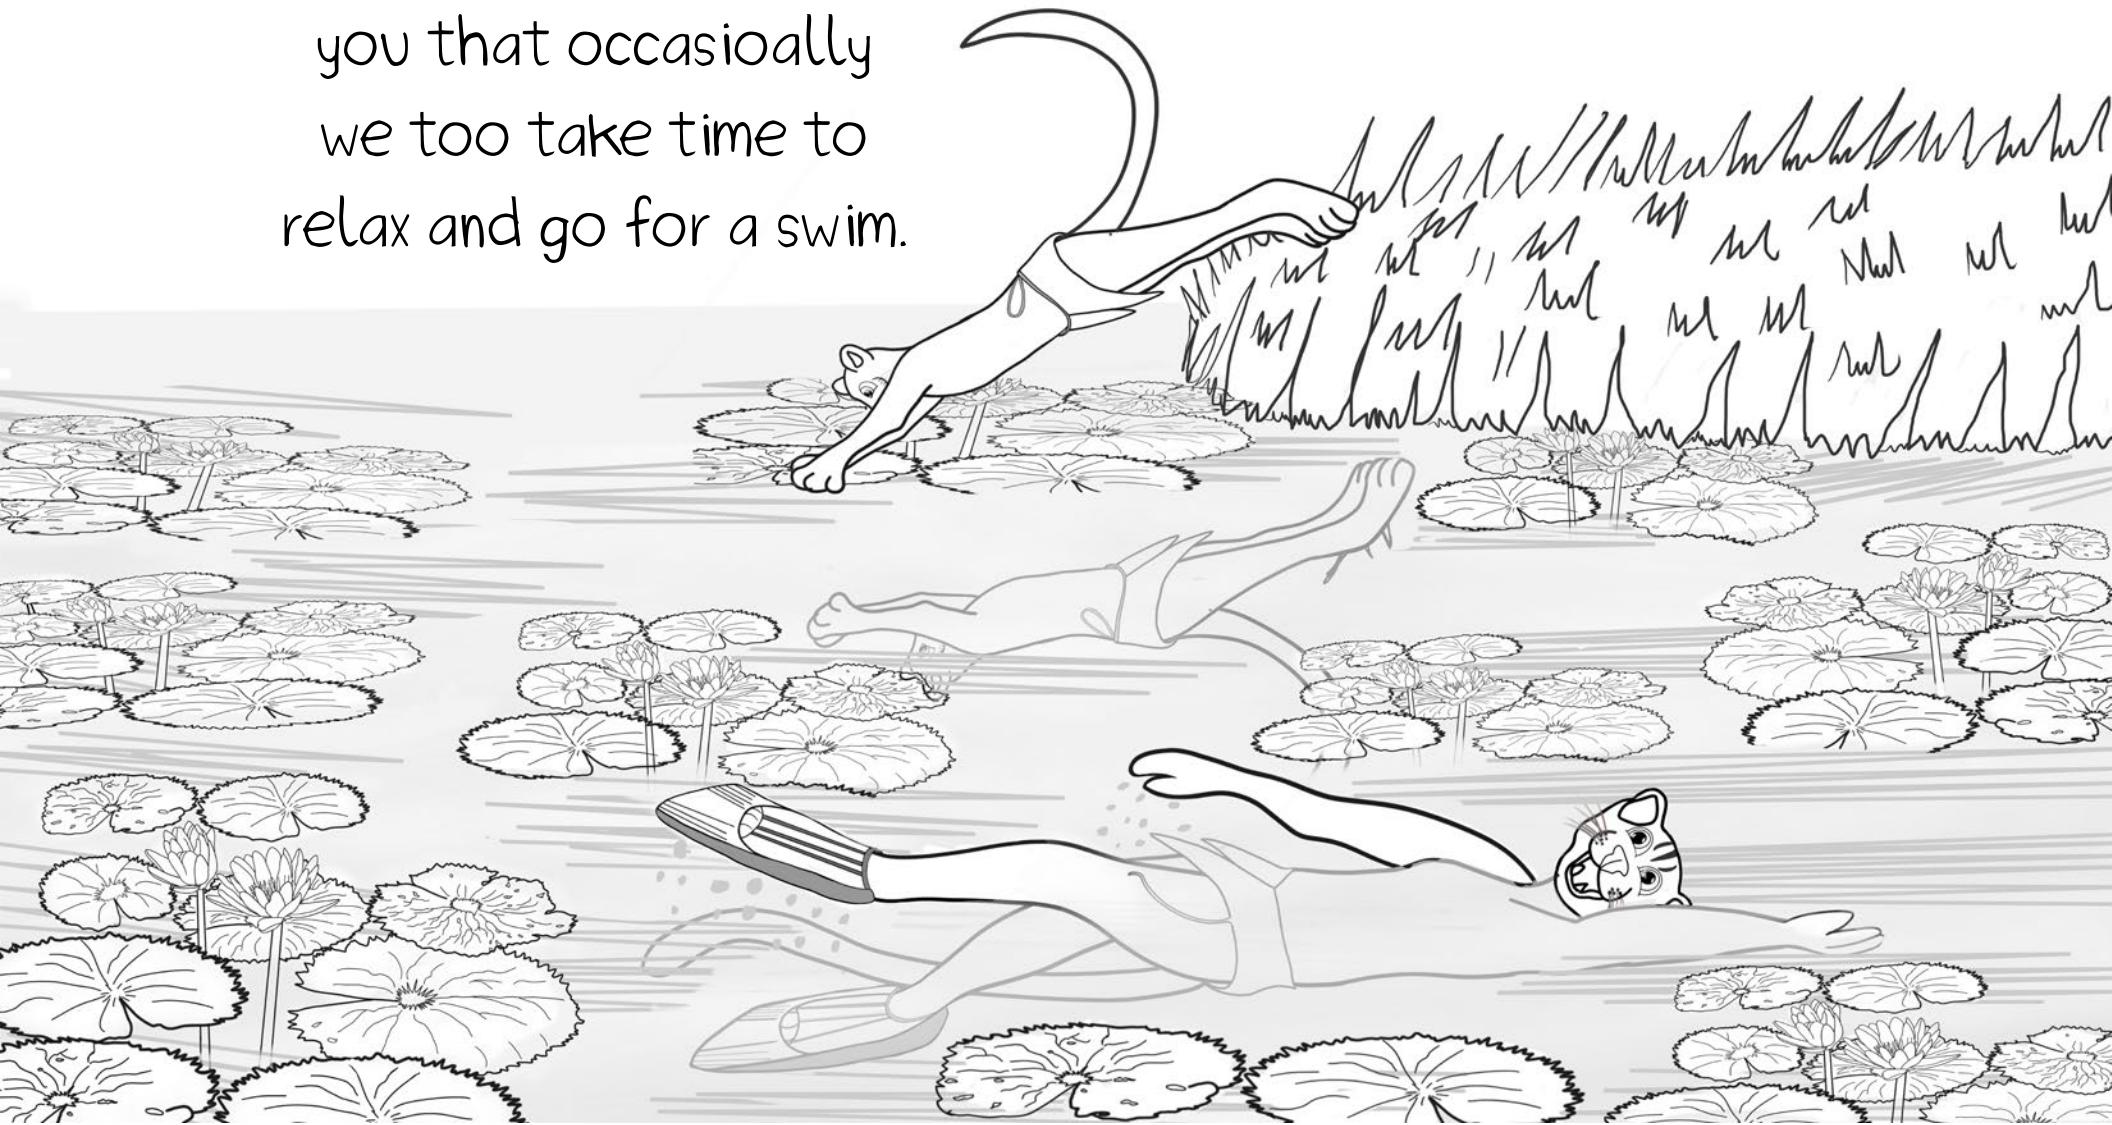

In my family a normal birth  
produces two cubs

But sometimes I have four cubs

Most humans think our life  
out in the jungle is tough.

So probably I should not be showing  
you that occasioally  
we too take time to  
relax and go for a swim.

Am I your WORST NIGHTMARE....? Face and head of a cute KITTY CAT but powerful muscles, especially for jumping! look like a HOUSE CAT ON STEROIDS

MayanToons are produced by the 100% Guatemalan team of FLAAR Mesoamerica, coordinated by FLAAR (USA).
